A friend of mine, introduced me to John Sharpless, attorney at law to represent my workers compensation and so glad I did. John was outstanding and settled the case. I did not hesitate to have him represent my A.S.A. case. John is very professional and gets things done. I would highly recommend him to any of my friends and neighbors. G. N.

Dear Mr. Winer,

I am writing this email to express to you how grateful I am for all your help and all the help from your employees. Without you I would still be fighting WC as I bang my head against the wall - getting no where.

You have help me beyond any words. This was a long process and changes along the way (on my end), but you remain patient, honest, non-judgmental and professional.

I am very pleased with the outcome and look forward to my "new" life and getting back to what/who I was before.

You have amazing people working for you! You are brilliant attorney. Thank you with all my heart.

Good afternoon, and thanks so very much for your kindness in offering your time, wisdom, and expertise. These suggestions and arguments are phenomenal. You are such an incredible source of everything we all need now – insight, passion, guidance, strategy, and energy. Thanks for all you do for all of us. You continue to be a source of true inspiration for me and so many others. Together, I believe there will be better days ahead.

Mike,

Thank you so very  
much for helping me.  
you will be blessed.

Thank you so much for the referral to Mike Winer. He was amazing!! We both were super happy with him. 80,000 on work comp ...personal injury 10,000. He is a rock star and a super sweetie. I think he scared them with a lawsuit about letting her go without her being released to full duty... Lol. He made a potential stressful event for us painless and pleasant. I didn't think that was possible to do. Thank you for helping us out we really do appreciate it. We owe you dinner and drinks 🍷 Maybe we can get together after the holidays with you and Ameer and celebrate. 🙏 Thanks again so much. I love you. Have an amazing Holiday season 🍷

Hello ~

Just wanted to thank you  
for all your hard work  
and for fighting for Michael,  
you had to do alot  
of research, you  
sounded like a doctor!  
You look great on the  
stand! ~

I miss him more  
each day!

Mike,

Thank you for all the hard work you have done. I had to put my total trust in you & invite you in to every detail of my life. It was hard. You took all the information & made a good strong case. You really came through for me & proved how good of a lawyer you truly are. It was a very STRONG trial & you deserve huge Kudos's. You have got me this far, and I believe you will be victorious in the end. I hear your request for me to be patient....ringing in my ears. It is out of my hands now & I am in good hands with you. I will try to relax..... and believe JUSTICE will prevail.

Thanks soooooo much for everything!!!!

I hired Michael more than 3 years ago.  
Michael handled my Personal Injury matter.

Mr. Winer is an amazing attorney. The level of attention and service he and his staff provides makes you feel like you're not just any client. He is knowledgeable, detail oriented, professional, driven and courteous. Mr. Winer obtained the maximum outcome for my case and I couldn't have been happier with the service he and his staff provide.

I hired Michael 1-3 years ago.

Michael handled my Workers Compensation matter.

I have previously worked with 3-5 lawyers.

A friend had recommended Mr. Winer to me after I was involved in a motor vehicle accident last year. I had many questions and reservations about pursuing my case, but Mr. Winer assured me he would help me to the fullest and he did! He provided me service above and beyond anything I ever imagined. His work ethic is tremendous and he was honest and forthright with me every step of the way. Mr. Winer is brilliant and made the process as painless as possible.

I cannot thank Mr. Winer enough for all his support, assistance and hard work. It means the world to me to deal with such an honest and "for the people" attorney. I respect him to the highest degree. I had dealings with attorneys in the past leaving me feeling lost and incomplete and out a lot of money with nothing to show for it. I was starting to loose my faith until Mr. Winer.

Thank you!! And thanks to your staff for being so kind and polite and helpful!

**Starla,**

I appreciate all the time you took in answering my questions. I know there were many. Women have a different understanding of emotions & it helped me more than you know. I know you are the strength behind the men on the front line. Mike & Steve had to put on the show, but you helped prepare them for it. I am a very detailed person, and understand how important tiny details are in the end. I may only be one small percentage of the cases you help prepare, but your office was 'it' for me. Thanks for everything!!!!!!

I hired Michael 1-3 years ago.

Michael handled my Workers Compensation matter.

I have previously worked with 1-2 lawyers.

Mr. Winer was recommended to me by an acquaintance, and I can't thank him enough. My first, and every subsequent meeting has been nothing short of tremendous. Mr. Winer is the epitome of what a real lawyer should be. Honest, Trustworthy, EXTREMELY hard working, and serious about each, and every detail attached to my case. He has gone WAY beyond what an attorney had to do, to dig deep enough to find the truth that sometimes gets shaded in cases such as mine.

Mr. Winer has been aggressively pursuing my case for almost two years now, and has NEVER backed down. He fights a good, and righteous fight. I would highly recommend Mr. Winer to anyone whom approaches me, as well as my recommendations on the side. He has proven to me to be an attorney that restores a bit of faith in our judicial system.

I want you to know that I  
will go along with whatever  
you can come up with to  
achieve <sup>the</sup> percentage you so desire.  
I am confident that you will  
find a way.

Thanks so very much.

From the Bottom  
of our hearts  
"Thank-you!"

Appreciation for all you  
have done for me & my  
family. May the holidays  
& New Year bring you &

You all mean a whole  
lot to me .. I became

a part of each one of you,

times that were cause, as we  
went forward.....

Safe, Divine, Union  
with your families &  
Friends, this Holiday  
Season, Sincerely

Michael:

I can't thank you enough for all the help  
you gave to me; especially in fighting "Wish's Case".  
I know it had to be very difficult at times!

It is nice to know you give your ear to  
your children, that you remember your home made  
meals - and enjoy them!

I have imagined, many times, how your trip  
is going after the car accident. I can well imagine  
how hard you are trying, though all the good, the  
love care of that family, and me over it's that  
we no more, just on a daily basis. She had  
to be strong in the articles and papers.

Good luck! all the good for the many times.

May the doctors for her bring closer to  
all pain, ease and relief! No doubt it worries  
you daily, but you have things too, and still you  
did your job!

I wish happiness, health and prosperity  
throughout the coming year to both of you  
and family!

Dear Attorney Turner

Thanks for all you  
are doing & have done  
for me. The last time  
you know I was there.

Recently I have been  
receiving bills from

select medical & others:

I am also very distressed  
for I left you a message & I have  
never received your call. I have  
a lot of questions. I also am  
very overwhelmed with pain. Extremely  
tender in my head & my back neck  
legs shoulder & hip & right hip.  
I believe you are looking out for my  
interest. I have every confidence in you.

T. D. 2. November

All of you have been  
Terrific, I really thank  
the good Lord God for  
all your Divine Helps,  
in Jesus Holy name, amen!

You are the smile  
Bomb!!!   
Love to all!

Dear Mr. Winer,  
Thank you for referring Martin Alvarado -  
Flores to our firm for his Workers  
Compensation claim. We appreciate  
your confidence in our law firm.  
We look forward to working with you in  
the future.

Dear Mike:

I wanted to thank you again for helping out with my sister, Dede's, case.

I never doubted for a minute that she was in very capable hands once you assumed responsibility for helping her in this matter.

If I can ever return the favor, please feel free to let me know.

With every good wish.

Dear Mike,

I just wanted to let you know how pleased I am in the way that you handled my case.

I can't say enough about the professional and courteous manner that you, Starla Connell, and all of the staff at Mike Winer Law treated me. Honestly, I never expected the outcome that was achieved, but with your true gift for your profession and your thorough understanding of the law, you had no problem pulling it off.

On a personal note, you have always treated me with dignity and character, and that will never be forgotten. There is a yiddish word that is seldom used anymore in our generation, but I believe you are truly worthy of the honor. Michael you are true mensch! (Goggle it!)

I'm very grateful for all your  
hard, sincere work you have done +  
still doing to help me in this time of  
need. May God richly bless all of  
you + your families in Jesus Holy  
name. Amen! Thanks so kindly,

Thank you for taking the time to help me get the hospital authorization, and getting the psychologist. I'll see him in two weeks; in the meantime I've been seeing Dr. Walker. Now Dr. Walker wants me to try a new medication "Abilify". I've been taking samples but running out. Work comp HAS not authorize the medication yet. Dr. Walker's secretary has numerous time contact work comp but hasn't responded. I know I have been a pain. Been having mood swings, cycling. Trying to survive the best I can. Also am I suppose to be at your office next Wednesday. Hope things are going well for each of you. You deserve the

I would like to thank you (John Sharpless) handling my workers comp case. I am greatly impressed with how quickly you settled my case. Thank you again and if I can refer you to anyone in the future I will not hesitate to do so.
